

**WING : CONCEPT WING : 1 SOFA EFFORTLESSLY TRANSFORMABLE INTO 5 DIFFERENT INTERIOR EXPERIENCES**

Thanks to its rotating elements, this transformable sofa can be adapted effortlessly to the mood of the moment : comfortably sitting, enjoying a nice lie-down, watching television or when even using it as a bed. After the very successful launch in 2015 of the Wing "open base", the new Wing "divanbase" will be presented as a scoop on Salone del Mobile Milano. This shows by its high-quality finish how far-reaching the craftsmanship of JORI truly is. A masterly design: extremely easy to transform into 5 different interior experiences.

HUGO DE RUITER : DESIGN WITH AN EYE FOR QUALITY

Design with an eye for quality. "I consider upholstered furniture to be like a third skin". Hugo de Ruiter (1959) is constantly searching for meaningful developments in his concepts. He frequently finds non-conformist solutions which contain distinctive functional features and a surprising design. He is inspired by nature, art, architecture and technology, but mostly, he is inspired by life itself. With more than 10 years experience in his design studio, and more than 20 years of experience as a designer he builds bridges towards new innovative and sustainable solutions.
