CHRISTOPHE GIRAUD : AN ACCOMPLISHED DESIGNER

As French architect, he graduated from the famed "Ecole d'Architecture de Normandie". Giraud covered the full gamut of architectural pursuits with due success: from devising public and private buildings, across designing showrooms and boardrooms right up to conceiving packagings and utensils. Architecture he describes as "aiming for balance between space and matter, between form and function".

**GENERAL MODEL INFO**

- Reclining chair available in multi-move version.
- Reclining chair available in 3 sizes : mini, medi and maxi. Reclining chair medi on base is available with seat height + 4 cm.
