

**SQUARE : LEGENDARY FINISH**

Modern technology combined with a legendary finish as a variation on the Chesterfield theme. The special style and unique appearance of the Square is achieved by the small leather loops on the front. The comfortable line is accentuated by its slightly inward-sloping back, that provides a superb sitting and reclining experience. Available in two versions; mono-move (back and footstool adjustable in one single movement) and multi-move (back and footstool adjustable in two separate movements).
